

GENERAL PERMISSION SLIP FOR CLASS FIELD TRIPS

“Class Field Trips” refers to local trips to places such as the library, parks, West End House (gym), cafes, and playgrounds which the class may walk/drive to during the course of the school year. Since such activities involve leaving the school grounds, we ask permission for your child to participate in these events. This general permission slip covers all the local trips taken throughout the school year.

.....

I give permission for my child, _____

to participate in the “Class Field Trips” taken during the school year, under the supervision of his/her classroom teacher and/or other staff.
